Tuition and Fees

This year we are offering a 5% discount off of your tuition if you enroll before June 15 and are paying monthly. We also offer a 7% discount if you enroll and pay in full before June 15. If you bring in three reams of plain white copy paper (per student), you will receive \$50 off your enrollment fees.

We accept three methods of payment for tuition: payment in full, monthly payments at the school, and monthly payments using the SMART Tuition Company.

a. Payment in full

b. Monthly payments at the school

If monthly payments are being made at the school, we will need postdated checks for the entire school year payable at the 15th of the month (or the first Monday after if the 15th falls on a weekend) or you can pay by the 15th of the month at the school.

However, if your payment is not received within 10 days of the due date, there will be a \$35 late charge. We will be able to take debit card/credit card payments this year at the school.

c. Monthly payments using SMART Tuition

If you choose to make monthly payments through the S.T. online payment system, you must complete the enrollment form and sign it at the bottom. Note that there are sections on the form that the school will fill out. You may also visit www.enrollwithsmart.com for more information.
