

Linda Gantt, Headmaster

Melanie Lawrence, Principal

Dear Parents,

It is that time of year again. This school year is quickly coming to an end and next year will be here before you know it. We understand what a sacrifice it is to send your children to school here, and we truly appreciate the opportunity you have given us to teach and minister to your children in this capacity.

Please find enclosed with this letter your enrollment packet for the 2026-2027 school year. Please fill out the returning student application and other forms completely. If you have more than one student, you can place all students on the same application. However, we will need an updated corporal punishment form for each student. Please be sure to read all of the information in the packet. **By signing the signature lines, you are agreeing that you have read and understand all of the information in the packet.**

Just as we did last year, we are offering “Early-Eagle” discounts for tuition and enrollment fees. Please see the tuition and fees page.

New High School “Eagle Core & Soar” Schedule

Beginning next school year, our high school program will employ an innovative three-day academic schedule. Core classes will be held on campus three days each week, allowing students to focus deeply on essential subjects in a structured, teacher-led environment. The remaining days will provide flexible opportunities for electives, clubs, dual enrollment, credit recovery, and personalized academic support. This model is designed to give students both strong academic foundations and the freedom to pursue their individual goals and interests.

Credit Recovery

For high school or middle school students requiring credit recovery, students may only complete two credits per summer or semester period, as per the state of Louisiana. Students needing *summer* credit recovery may only do so after paying enrollment fees in their entirety for the coming school year in addition to summer school tuition.

If you have any questions, please call Liz Powell or Miss Lawrence at the school. **Please contact the school to set up a time to return your application and make appropriate payment arrangements.** We are looking forward to the new school year!

Sincerely,

Melanie Lawrence

Melanie Lawrence, Principal
